

# Garfield PTC Membership 2021-2022

This year Garfield needs your help and support.

With fundraisers, family support and business donations Garfield PTC is able to pay for extra resources to supplement and support our teachers, sports, and staff. Over the past few years PTC has purchased iPads and Laptops to support our Technology program, Bows for Choir, Uniforms and Equipment for Sports, and Supplemental Learning Materials for various grades. For us to continue supporting Garfield we need our cub families help.

## *How can you help?*

Join PTC as a Member. Get involved in PTC meetings, volunteer at events, and support Garfield.

## *How do you join?*

Joining has never been easier. This year you will click this [link](#). Here you will fill out your information, your membership level, and your students Information. This will allow us to track your membership info and get you your free stuff!

To pay we are making it super easy. You will either print the attached membership form and send it in to the office PTC Box or you will pay using

Venmo @garfieldelementaryptc

Checks made payable to Garfield PTC
